Family Chores

C. True or False? Circle (T) or (F)

B. Read about Adam's and Sally's family chores.

Hi my name is Adam. I live with my family in a big house. I have two sisters and one brother. We share many chores with our parents. My brother and I take the garbage out.

We also wash our father's car twice a week. Every Friday, I weed the garden and my brother waters the plants. I also make my bed in the morning. My sister, Emily, sweeps the floor every evening and washes the dishes after dinner. She also helps Mom with shopping every Thursday. My mother cooks for us and washes our clothes. My father fixes anything broken at home.

Hi my name is Sally. My family is small, my father, my mother, my sister Joanna and Me. We live in a flat in a tall building. I help my family with the chores. I make my own bed.

I set the table for dinner while mom cooks. Every Tuesday my parents go shopping for food and I take care of my sister Joanna and help her with homework. My father fixes things in the house. My mother cooks our meals and sweeps the floor every night. When Mom or Dad is tiered I bring water for them.

Read the following text carefully:

The Gomez family live in Mexico City. On Sundays they go to the Park. Read about their day.

On Sundays we get up early. We don't have a big breakfast, only coffee and bread and butter. Then we go to church. After church we all go to Chapultepe Park. This is a big, beautiful park in the centre of the city.

First we go boating on the lake. Then we sit under the trees and have our picnic lunch. The children fly their kites. I always sleep after lunch on Sundays:

In the afternoons the small children ride their bicycles. Baby Bianca likes riding in a little goat cart. You can see one in my photograph.

At about five o'clock we buy fruit or ice cream and then we catch the bus home.

We have supper at home and then the children go to bed. We usually go to bed early on Sundays.
